Outdoor Wireless Camera
ADC-V721W Data Sheet

Introduction

The ADC-V721W is Alarm.com's latest wireless outdoor IP night vision camera. Designed specifically to work with the Alarm.com hosted video service, it provides a professional surveillance solution. HD 720P live and recorded video are available to customers through web-enabled computers, cell phone web browsers and via our free downloadable apps compatible with all Alarm.com enabled mobile devices. This camera has been designed to see at a distance of over 40 feet in the dark (black and white) while still delivering true to life colors during the day thanks to the mechanical IR cut filter. Plus, wireless set-up is a breeze with push button wireless set-up using either wireless accesspoint mode or the WPS button.

Included Accessories

- Power Adapter
- Input/output connecters
- Wall screws
